

Guidelines to Receive Travel Bursary-INPSAR Conference 2022

We understand that the financial constraints could refrain many talented and motivated candidates from participating in the conference. As we staunchly believe in equal opportunity for all, we have dedicated some funds to providing travel bursaries. Please take note of the following:

1. We currently have travel bursaries for 20 scholars. You can apply for the travel bursary (on actuals) during the time of full paper submission. The maximum amount one could claim under the travel bursary will be **INR 10000** (Ten Thousand Rupees Only). **The tickets booked must be economy class (also the cheapest option available) for air travel and 3-tier AC for train travel.**
2. The distribution of the travel bursaries will be purely based on the quality of the research paper submitted and presented during the conference.
3. Travel bursaries will be available **only to candidates outside Delhi-NCR. Copy of tickets, boarding pass, and proof of residence** have to be submitted to justify your claim and to process the reimbursement.
4. The participants selected for travel bursaries will have to make the travel arrangements independently. **Local transportation will not be counted for reimbursement**, e.g. airport to campus. The amount will be reimbursed after the successful participation in the conference. Please note that this process may take some time.
5. Kindly note that bus service will be provided from the Hindon River Metro Station (Red Line) to the Christ University campus and back.
6. The travel bursaries available will be administered separately for students (including research scholars) and working professionals. This means that the papers of students and professionals will be judged separately to ensure equal opportunity.
7. All decisions of the conference committee concerning the distribution of travel bursaries will be final, and the participants will have no right to appeal against it. The conference committee reserves all rights to reject the request for the travel bursary at any stage and take legal actions if found to be fraudulence of any kind.
